## OUR MISSION Live the Faith! Lift High the Cross! OUR VISION

**We will grow in faith and numbers by seeing Christ in one another in all we say and do!**

### Pastor's Ponderings

Dear Brothers and Sisters in Christ;

Fall is upon us! Now, that the program year has begun, I am excited for the opportunities that our congregation has to be able to live out their baptismal calling and to be Christ's disciples in the world.

This year, once again, Rally Day coincided with "God's Work, Our Hands" Sunday. Our congregation was invited to help in the historic district of Haysville. We helped by pulling weeds, transplanting flowers and shrubs, and general beautification of the space. It was a wonderful afternoon where many hands made light work.

We currently have 6 kids who are preparing to receive their First Bibles. They have diligently come with their parents to weekly classes to learn more about the Bible and to become familiar with the stories. These kids are so excited to be able to learn more about their faith and have already asked multiple times when they will get their Bibles back so they can read them.

It is great to see their enthusiasm on a weekly basis. Please be ready to share your favorite Bible

verse or story with them when they receive their Bibles during the service on October 2.

As the year progresses, confirmation classes will begin meeting weekly in the new year. We were able to celebrate the affirmation of baptism with Trace Aaron Tjaden on the last Sunday of August. The congregation's support and prayers have made a positive impact on Trace's faith life, which was made clear as he shared his faith story with us all.

Lastly, my heartfelt thank you to the congregation for the wonderful baby shower and numerous diapers and gifts. Rory and I cannot wait to introduce you to our little one.

Peace and Blessings,

*Pr. Elizabeth Cummings*

As was mentioned in the last newsletter Stewardship was selected as a focus for the year by Council, as well as the Central States Synod. Since the last newsletter that focus on stewardship has materialized in the formation of the JOY (Jesus, Others, You) Team. The JOY Team kicked off their activities with a congregational potluck on October 2<sup>nd</sup>. After enjoying the wonderful cooking of our members the JOY Team made a presentation explaining what JOY is and how we can be a part of it.

- Down = Jesus – looks at the many ways that God has come down to us in love. Stewardship is first and foremost about God and not about us.
- Out = Others – we begin by receiving God’s love as it comes down to us, then we look in to recognize the gifts that God has entrusted to our care, and now we respond by looking out for ways to use these gifts in service to God and our neighbor. God has equipped each and every one of us to use the gifts we have received to reflect God’s love to our neighbor.
- In = You – In response to the love and generosity that God has shown to us, we look in to see the many assets that God has entrusted to our care – time, talents, money, resources, and much more. Everyone has a gift to share!

As part of the presentation everyone was provided with a questionnaire that will be used to identify each individual’s spiritual gifts. As additional incentive, those who completed a questionnaire were entered into a drawing for several gift cards. Afterward there were several JOY themed games to for any or all to enJOY.

During the upcoming year, each month will have a specific focus on some aspect of stewardship. The focus in October is the Quarter Challenge for Camp Tomah Shinga. The focus in November will be ELCA World Hunger Appeal. In December the focus will be on Advent with more details to be revealed. The JOY Team has a great start and I encourage everyone to be part of the fun activities that they will be organizing. It is also a great opportunity for you to volunteer. You may not be able to commit to a team or committee but helping with or arranging a specific event might better fit your schedule.

The Council continues to oversee the day to day business of our congregation in our monthly meetings. We continue to review our policies and procedures to see where things could be improved. Each month, the approved Council Minutes are posted on the hallway bulletin board so you can stay up to date on the current Council activities. Financial information is in the Sunday bulletin so you can readily have visibility of the church’s finances.

## Resurrection is Excited!

Rory and Pastor Elizabeth are expecting their first born this month of October. Deanna Deutscher organized a fun, celebratory baby shower on August 27<sup>th</sup>. Pastor Elizabeth's parents, Linda and Bruce Cutler, sister Julia and Aunt Shirley traveled from Connecticut to attend with the congregation.

Currently there are two Baby Cummings contests for the congregation (or anyone passing through our narthex) to enter. First guess the baby's birth day and time and then in true Lutheran spirit, predict whether the baby is a Martin (boy) or a Katie, (girl). The money wagered in these contests is earmarked for the ELCA 500<sup>th</sup> Anniversary celebration.

## Welcome New Members

On September 25<sup>th</sup> we were happy to welcome Chris and Debbie Scarlett and Shay Gauna into our church family

## Backpack Blessing

August 21, 2016

As schools are beginning the Fall classes, children are returning to school, and they have backpacks. Pastor Elizabeth proclaimed this Sunday, August 21st as Backpack Blessing Day. Many backpacks of varied descriptions appeared beneath our altar and pastor blessed them during the children's sermon. Each child received a sticker or luggage tag for their bag which proclaimed, 'Blessed to be a Blessing'.

## Monument Dedication

June 5, 2016, Pastor Elizabeth led the congregation in dedicating Resurrection's monument. The cross is from Resurrection's former church building. The cornerstone from the old church building is part of the monument's base. Opposite this stone, is the dedication date of our present church building. At the base are bricks engraved in memory of loved ones passed on. This is an on-going project as members dedicate more memorial bricks. Bruce Cloyd salvaged the cross and bricks from the 'old church' and oversees this project with the property committee.

PS Remember! There is a Time Capsule encased in the monument. Placed during our 50<sup>th</sup> anniversary celebration, it is to be opened during Resurrection's 100<sup>th</sup> year, Centennial Celebration.

**Vacation Bible School, Cave Quest**

During the third week in June, Resurrection was turned into a cave. Stalactites grew from ceilings, there were worms to eat and lots of big and little folks wearing miners hats and singing. There were 22 willing volunteers helping 26 children grow in faith.

**First Bible, Study & Presentation**

All during the month of September, six children, with their parent met with Pastor Elizabeth to study for an hour each week preparing to receive their *first bible*. On October 2<sup>nd</sup>, the bibles were presented with prayers for continued learning, faith and a surprise. They were introduced to their 'prayer buddy', a member of the congregation who had been praying for them while they learned about the bible. Next they were informed their prayer buddies would continue to pray for them, and now the students were asked in return to include prayer buddies in their own prayers.

Study and learn.

Looking for Prayer Buddies.

**2016 Tomah Shinga Campers**

The Resurrection Family is happy to be blessed with involved children – our future church. Several of them were able to attend Bible Camp this summer. The campers are:

Allie Clevenger, Madison Clevenger, Brylie Christiansen, Natasha Braun, Donovan Braun, Zoe Deutscher, Avery Schill, Carlie Schill, Derrick Marshall, and Taeden Marshall.

Read on for some of their thoughts and reactions about Camp Tomah Shinga.

Camp this year was awesome! One of my favorite things was hiking to the chapel of the lizard. It was an overlook of the camp and the fields around us. It was beautiful. Thank you everyone for the opportunity!  
Avery Schill

+++++

I loved camp! Camp is honestly my favorite camp. I also liked camp better this year because this year I got to go with someone. That someone is Zoe. She and I got to know each other a lot better and now we have something to talk about! Thank you soo much for this great friendship and camp!  
Carlie Schill

**2016 Tomah Shinga Campers**

Thank you everyone for sending me to camp Tomah Shinga. The first thing we did there was play games. The next day we went to see the horses in the morning and sence it rained the night before we got to paint the horses. Then we came back and did archry that ening. On Tuesday we went back to the horses and we rode them around their little arna. When we got back we went canouing with a counsler. The next day we got to trot on the horses wich was amazing. After we returned we went on the high ropes couse, the rock wall, the zip line, and the travirse. Then on Thursday when we went to the horse barn we went on a trail ride up and down hills. When we got back we got to go home. Natasha Braun

+++++

First I want to say thank you to WELCA for helping to pay for camp. It was my first time and I had a great time. I want to go back again next year. I enjoyed the zip line. I wanted to do it twice for the time I was there. It was also fun to share a cabin with the councilers since I was the only boy there. My favorite parts of camp were the evening sendings, zip line, and the horses.

## A Week of Awesomeness

by Zoe Deutscher

This was my first year going to camp Tomah Shiga. We drove up with Carly and Avery Schill. Carly and Avery had been before and on the ride there they were telling me all about what they did when they went last year. I was super nervous and super excited to. When we got there, the camp staff made me feel welcome. Some things I really enjoyed at camp were every morning and every night we did worship, worship is where we would go to a certain place and we sang songs and read the bible verse we were studying that day, then after the bible verse in the morning the staff would do a skit about the bible verse to further explain the bible verse. In the evening there would be a certain group that was in charge of evening worship and would choose all of the songs we sang and would do the skit. Another thing I really liked about camp was this thing that the staff called Owling. Owling is where we went to a quiet and very dark place and played a Bard Owl sound and waited and see if we could get a Bard owl to come or at least call back, we were about to play the owl call one more time and one of the staff told us to pray so we all prayed and then one of the staff played the recording one last time and nothing... so we started picking our stuff to leave and we heard an owl call back then another then we saw one fly to another tree and we followed it around and then we saw one of them fly to another tree again, they started making sounds that the staff said meant that they were mad. Their calls started getting further and further away so we went back to our cabins for the night. We could hear the owls from our cabins. It was so COOL!!!!!!!!!!!!!!!!!!!!!! The last thing we did was painted rocks white which represented our baptism and then painted it colorful in washable paint to represent our sins and then we put the rocks on this humongous cross and when it rains it will wash away the colorful paint (our sins) and it means that Jesus died on the cross to forgive our sins so we put our sinful rocks on the cross and our sins will be washed away on the cross. That was my week at Camp Tomah Shiga.

Thank you for helping me go to camp. I really liked it there. I want to go there again. My favorite song was Sanctuary. Also, I really loved the talent show. I made two best friends named Loren and Tatum. Allison Clevenger

+++++

Thank you for letting me go to camp! I had a great time. I am looking forward to going next summer for a week. Thank you very much!!! Madison Clevenger

When you were small  
And just a touch away,  
I covered you with blankets  
Against the cool night air.  
But now that you are tall  
And out of reach,  
I fold my hands  
And cover you with prayer.

### Farewell and Welcome Celebration

On June 29th Resurrection celebrated our Office Administrator, Cathleen Ramirez and the ten years she has served at our church. Our celebration included lunch, balloons, gifts, and a devotional book with many members' blessings. Cathleen is presently serving as a grief counselor with Kidzcope, a grief support organization for children and families. Cathleen says, "Kidzcope services are free and most children are referred from school social workers or other professionals. I have a beautiful office and I feel ridiculously happy."

We also met and welcomed our new office administrator Vicky Tully. Stop in the church office and meet Vicky.

### Fall Bazaar

It's not too early to begin plans for the annual Fall Bazaar sponsored by WELCA. The event begins on Friday, November 11 at 9 a.m. and continues through to Saturday afternoon. Lunch will be

available with sloppy joes, pie, and soups. Cinnamon rolls will be available as long as they last.

It's the place to do your Christmas shopping, to find new holiday décor, discover bargains in "Granny's Corner," and meet friends for coffee and lunch.

We'll have our old favorite items for sale and lots of new ideas. The gift popular baskets for all ages and prices will again be available.

We'll be setting up on Wednesday and Thursday and this always requires lots of helping hands. Funds raised will go toward sending our youth to Camp Tomah Shinga next summer.

Mark your calendars: Friday and Saturday, November 11<sup>th</sup> and 12<sup>th</sup>, 9 a.m.-4 p.m. in Fellowship Hall. If you have questions, see Evelyn Clark or a member of WELCA.

**WELCA Convention, July 29-31, 2016**

Vickie Sample

I had the honor of attending the 29<sup>th</sup> Annual Convention of the Central States

Synodical Women of the ELCA. The theme for the convention was “Faith Moves Mountains”. Attendance was close to 200, with ladies traveling as far away as western Kansas, Arkansas, Nebraska and many from Missouri. I was the sole representative of our congregation. I thank our WELCA ladies for making my attendance possible and for their generous contribution of in-kind gifts of toothpaste and combs, which were combined with other in-kind gifts from the other clusters. One hundred bags were assembled and distributed to the “Go:61 Organization” and the “Safe to Sleep Organization”, both of which are located in Springfield, MO. GO:61 focuses on human trafficking and Safe To Sleep places their focus on the homeless. According to the 2014 US Department of Housing and Urban Development Report, Springfield surpasses St. Louis with 25.6% of Springfield families living below the poverty line. Speakers representing both agencies gave excellent presentations. Fellowship and delicious food were enjoyed by all.

Currently the Women of the ELCA are preparing for the 10<sup>th</sup> Triennial Convention which will be held July 13-16 of next year. This convention will be held in Minneapolis, MN. The theme for this great gathering will be title: “ALL NEW”. Thousands of women from ELCA churches nationwide will attend this fabulous gathering to share in God’s word and fellowship. Registration opens September 6<sup>th</sup> of this year. Not only will this be the celebration of the 10<sup>th</sup> Triennial Convention, but it will also be the 30<sup>th</sup> anniversary of The Women of the ELCA.

The 30<sup>th</sup> anniversary of the Annual Convention of the Central States Synodical Women of the ELCA will be held next September 29<sup>th</sup> through October 1<sup>st</sup>. The convention will be held at Trinity Lutheran Church in McPherson, KS. Pastor Tim Leaf oversees this church. Let’s all look toward this date and have a huge turnout from our congregation to share in the celebration of 30 years of the Women of the ELCA.

Indeed 2017 will be a year of a double celebration. It will truly be an exciting weekend of faith, fellowship and fun. Make plans now to attend either convention.

**Confirmation Culmination**

After three years of confirmation classes, friends and family gathered to celebrate Trace Tjaden’s Affirmation of Baptism during worship on August 28, 2016. Trace shared his faith story during the service and his secret, three year prayer buddy was revealed as Rory Cummings. Following worship, a delicious cake was enjoyed by all.

**WELCA Area 5 Cluster**

by Betty Batten

On Saturday, April 30, five RLC women attended the Spring Cluster meeting of the Women of the ELCA at St. Paul's Lutheran church in Wichita.

Laura Broyles, President/Executive Director of New Life Reentry Program introduced us to the small (only 6 persons can be served at a time due to space), powerful (80 persons have been served in the five years of existence) program. The purpose of the program is to temporarily house and reintegrate recently released homeless female inmates into society. Women in the program do not qualify for addiction treatment or other programs and stay in the home, which qualifies for a homeless shelter, for three months, maximum.

During the time spent at the house at 917 N. Custer, women deal with anxiety, PTSD, and depression issues. Many of them need to pursue a GED and need mentors for learning to cook, make a budget, and communication skills. They must go to church, attend 12 step support meetings, look for a job/community service, and pay the \$80.00 per week (self-sustaining cost).

Additional information about this program can be found at [Facebook.com/new--life--reentry--inc](https://www.facebook.com/new--life--reentry--inc)

Let Loretta Holmes know if you would like to be part of a Bible Study (perhaps on a Saturday) ministering to New Life Reentry Program.

**Ordination & Birthday Celebration**

On July 17<sup>th</sup>, Resurrection enjoyed a double celebration, the fifth anniversary of Pastor Elizabeth's ordination as well as her birthday. There was a skit presented by Deanna Deutscher and Sunday School and of course a banquet with cake. A very special, fun day!

 **50<sup>th</sup> Wedding Anniversary**

Janice and Pastor Larry Cross celebrated their 50<sup>th</sup> wedding anniversary with family and friends at Christ Lutheran Church in Wichita on August 13<sup>th</sup>. Pastor Cross has served as both interim and guest pastor for our congregation.

## Property Committee Update

Dear Brothers and Sisters in Christ,

It is hard to believe that we are already through September! 2016 has been flying by! The Property Committee has been busy. Throughout this year, we have been working on creating a brick memorial at the base of the monument. Thank you to everyone who helped on this project. On June 5<sup>th</sup>, we were able to have a dedication for all of those who have joined the church triumphant. Just as a reminder, anyone is able to have a memorable brick made at any time, just see a Property Committee member for the form.

In June, we held a property clean-up day. Many weeds were pulled, closets were cleaned, a bench by the monument was installed, the base of the monument was painted, as well as a few other projects. A big thank you to all those who helped that day! There will be another clean-up day this fall, stay tuned for more details.

As we look towards the rest of the year, there are still a lot of things the Property Committee has planned. Be on the lookout for a fall clean-up day, our Oktoberfest fall fundraiser, and some other various projects, just to name a few. Just a reminder that the committee meets the first Wednesday of the month and all are welcome to attend.

In God's Peace,

Rory Cummings for The Property Committee

## Fire Academy Graduation

On July 12<sup>th</sup>, William Casteel graduated from a 10 week, 30 hour Fire Academy. This course is conducted by the Wichita Fire Department for citizens who desire to learn about firefighting methods and how to best assist during an emergency. Fire Department Chief, Ronald D. Blackwell presented completion awards to twelve students including William.

**Congratulations, William!**

**Resurrection's Rally Day**

September 11<sup>th</sup> was our Rally Day and there were several activities in our celebration. Sunday School resumed and during worship, the teachers were recognized, given a blessing while the congregation promised their support.

Rally Day was also **God's Work, Our Hands** Day. There were lots of yellow shirts as a hardy crew gathered to help beautify God's world. It was a beautiful day as they worked together to complete several gardening projects at the Haysville Library, transplanting and pulling enough weeds to fill 2½ dumpsters.

## **Spotlight on Evelyn Cherry**

Evelyn was born in Salem Hospital, Hillsboro, KS. She grew up on a farm as ‘big sister’ for her three younger brothers. The family belonged to Trinity Lutheran Church in Durham where Evelyn was baptized and confirmed. Sadly, that church was closed twelve years ago. Her grandparents were from Russia and Germany where her mother was born premature just 2 months before they immigrated on a ship to the USA. Recently she received genealogy history documenting these events. Evelyn was raised speaking German at home and church, learning English when she began school. Education was stressed in her home and all the children graduated head of their class; each also earned a college degree. Evelyn remembers her father driving the children to school in Durham which was 6 miles away on Hwy 50, then a 2 lane sand or mud road. When it snowed, they rode in a horse drawn lumber wagon. In school, she participated in 4-H traveling to Topeka to speak to 4-H groups. She played baseball and basketball for the Durham Huskers.

Growing up on their family farm meant helping with morning and evening chores to raise chickens, cattle, pigs and wheat. Evelyn learned to feed chickens and gather eggs, and milk about 20 cows. Extra cream and eggs were sold. All the children also worked in their vegetable garden, always planting potatoes on March 17<sup>th</sup>. There was no refrigeration and Evelyn recalls frying meat for days, packing it in grease in crocks to be stored in the basement. She also helped to make lye soap. Growing up with 3 brothers, Evelyn pretty much ‘lived’ in overalls and once was whipped for ‘sitting like a boy’ when she wore a dress to church. There was time for play: running and spinning a wheel, lots of ‘hide & go seek’ through corn rows and baseball with their one, well used softball which was often repaired with twine. Evelyn had one feminine toy, a porcelain doll, which suffered a broken leg after one of her brothers fell on it.

After graduating high school in Durham, Evelyn went to Brown-Mackie Business College in Salina, where they studied from the texts she had used in Durham High, so that she earned her degree in 9 months. She worked in a radio & TV shop in Salina, moved to Wichita in 1955 working for RCA in service, repairs and bookkeeping. She was employed for 35 years by Westside Mattress Co. as bookkeeper, advancing to assistant manager. Most recently Evelyn worked for Advanced Physical Therapy in Haysville.

Evelyn has 2 sons, 4 grandchildren and 3 great-grandchildren living in West Wichita, one grandchild lives in New Orleans. Evelyn has lived in Haysville 58 years in her original home on Western Avenue. She has been a member of Resurrection for 53 years, first worshiping in Freeberg Hall. Over the years, she has served 12 years on Church Council and taught first grade Sunday School. Presently you will see Evelyn serving on Resurrection’s Welcome team, Altar Guild and WELCA. Outside church, Evelyn is active in ESA, business & professional sorority, Haysville’s Chamber of Commerce, Senior Center and Library. Ever a sports fan, while Evelyn follows baseball and football, her favorite is WSU basketball.
